

# RIYANKA DEB

(D.ARCH NORTH CALCUTTA POLYTECHNIC)

I am a diploma architect who has 2 years job experience at ArchSphere Consultancy. My specialties are in the area of interior and exterior design, architecture and arts, the implementation of physics study in architecture design, and execution.

## EXPERIENCE

**2022-2024**

### ***Freelance Architect***

- While continuing my diploma engineering in the college, I worked as a freelancer with some of my seniors.

**2024 - Now**

### **ArchSphere Consultancy ( Barasat)**

- After gaining experience as a freelancer, I tried my fortune to apply for a job in an architecture company as the junior architect. I gained many experiences there particularly in the area of interior and exterior design. Only around 6 months after my acceptance, I was promoted into the Assistant Architect of the company.
- Me and my team have completed several architecture & Interior projects.
- I also have gained experience in site management or site supervision.
